

## Science Committee

### Expert Panel Vacancies

**Deadline: 24 April 2017**

The [ESPE Science Committee Expert Panel](#) is looking for new members. Candidates with specific expertise in the field of **endocrine disruptors** are specifically encouraged to apply. The Expert Panel has a diverse and important role in supporting the ESPE Science Committee. As a member of the Expert Panel, you will be asked to peer-review grant applications and take part in ad hoc committees to select awardees or applicants to one of the Schools.

Membership of the Expert Panel is for three years and renewable for another three years.

Interested ESPE members are asked to send an e-mail stating their interest and a short CV to the [ESPE Team](#) before **24 April 2017**.
