

Programme Organising Committee

New Committee Vacancy Position

Deadline: 31 January 2018

We are seeking applications for a member of the ESPE Programme Organising Committee (POC). The 3-year appointment will start in May 2018 at the next POC meeting for the ESPE 2019 Meeting. The main task of the POC is to integrate suggestions by the membership, develop the programme of the annual meeting and participate in the evaluation of submitted abstracts.

The workload consists of one teleconference every two months, numerous emails and preparation work and two face-to-face meetings every year (one during the annual ESPE meeting). Applicants should have wide knowledge of the published literature in paediatric endocrinology in general and detailed knowledge in specific area(s). An interest in diabetes mellitus would be particularly welcome.

The appointment will be made by the ESPE Council following recommendation by the POC. If you are interested in applying for this important post, please send a copy of your CV and a covering email to the ESPE Team at: espe@eurospe.org outlining your suitability for consideration. The closing date for applications is **31 Jan 2018**.
