

Andrea Prader Committee

New Committee Vacancy Position

Deadline: 2 January 2018

Every year ESPE is proud to present to members 6 important and prestigious awards, kindly supported by Pfizer, in recognition of their teaching, research and overall contribution to paediatric endocrinology. Applications are now invited from all ESPE members for a vacancy on the Andrea Prader Prize Committee. The three-year appointment will commence in March 2018. The main role of the committee is to review and assess applications and select a winner for the following ESPE awards:

- **Andrea Prader prize**
- **ESPE Outstanding Clinician Award**
- **ESPE Research Award**
- **ESPE Young Investigator Awards**
- **ESPE International Award**
- **ESPE International Outstanding Clinician Award**

The committee meets in March each year by teleconference, to discuss the awards for that year, which are presented during the ESPE annual meeting in September.

If you are interested in applying, please send your CV together with a covering email outlining your suitability for the position to the ESPE Team at: espe@eurospe.org. The closing date for applications is **2 Jan 2018**.
