We print all of our graphics in-house, so you will get the best value and a quicker turnaround time. A dedicated graphics production team as well as on site support are there to ensure all of your branding is taken care of. We can do flooring, banner wraps, custom name boards, fabric printing, branded cabinets and furniture. You name it and we’ll brand or personalise it for you, just ask us!

You only have seconds to grab someone’s attention and make a lasting impression! We’ll make sure that’s a good one...
Our Entry level graphic option slots easily into our shell scheme system, but you don’t have to worry about that as our experienced team look after the installation and take-down of all our graphics.

All we need from you is the artwork...
By far our most popular graphic option, and for good reason!

Our seamless graphics made from a high quality tension fabric slot into our custom system to give you nice, big flush pieces of artwork.

Oh and did we mention they're reusable?
Technology is the future!

With a range of cutting edge A/V technology available. We do everything from iPads to 80” screens. Just ask how we can help propel your brand into the modern day...

MOOD MAKER USING LIGHT

Fabric Ceilings enhance your stand by giving you full control of the lighting and create the atmosphere required. Any time and money spent on lighting would potentially go to waste if the light is able to escape the stand above.

Imagine if you took the ceiling off a bedroom? Romance dead...

Incorporating Semi-Translucent Voiles (read more on the next page).
Who said Translucency was just for ghosts?

Opt for something out side of the box. Walling a portion of your stand off with one of our high quality translucent voiles is a great way to maximise face to face time with customers without... well, building a wall.

Downlights
First impressions start at ground level where the look and feel of the floor sets you apart from the rest. A high-quality, well-fitted floor covering makes your brand stand out to passing footfall. Uplift your stand with our range of raised platforms that improve the comfort of the stand’s flooring whilst hiding cables and wiring. We have a wide variety of other materials and colours available including:

- Specially Dyed
- Patterned
- Cut Outs
- Laminate Flooring
- Non-Slip Vinyl
- Specialty Flooring
- Astro-turf

Why not have your logo or message applied to the floor?
