

ESPE 2023

Exhibition & Sponsorship Prospectus

61st Annual ESPE Meeting

21-23 September 2023, The Hague, Netherlands

Welcome to The Netherlands

61st Annual ESPE Meeting

21-23 September 2023, The Hague, Netherlands

We are delighted to invite you to the 61st Annual ESPE Meeting to be held in The Hague, The Netherlands, 21st – 23rd September 2023. The theme we have chosen for the Meeting is “**Global Challenges in Paediatric Endocrinology**”. The programme will, as usual, include Plenary and Symposia lectures by outstanding international speakers, Meet-the-Expert and How Do I... sessions by experienced clinicians who are world leaders in their fields, Controversy and Novel Advances sessions are designed to make us re-evaluate the way we think and work. Free Communications will allow both experienced colleagues and their younger trainees the opportunity to present their work in oral sessions, and there will be ample opportunities for further presentations and discussion in the poster sessions, which will include both physical and electronic posters..

Nils Krone - Programme Organising Committee Chair

Paul van Trotsenburg - ESPE 2023 Meeting Host

Sabine Hannema - ESPE 2023 Meeting vice Host

On behalf of the Local Organising Committee of ESPE 2023.

Our audience profile

We are proud to have built a community of more than 1,250 ESPE members from over 100 countries at various stages of their career, all of whom are eager to learn more about the latest developments in paediatric endocrinology. The Annual ESPE Meeting has become a world-renowned event within the field.

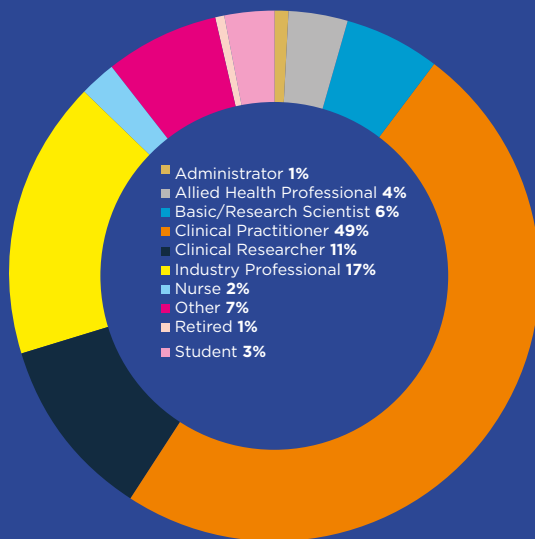

Each year we have seen a strong attendance at the meeting, with 3,286 in person attendees for 2022 and 3,566 specialists join for ESPE Online in 2021. Every year we have seen the ESPE Meeting's attendance strengthen and we expect this trend to continue in 2023.

Exhibiting at ESPE 2023

The commercial exhibition is at the heart of every ESPE Meeting. It's where you will find our poster hall, lunch and coffee breaks, and the central ESPE stand along with our partners and sponsors. The exhibition has always provided a busy informal networking area for our delegates with catering and seating surrounding each stand.

COMMERCIAL STANDS

€ 600 per sqm if booked before 31st March 2023
 € 650 per sqm if booked from 1st April 2023

9 sqm stands are available as shell schemes
 12 sqm and over = space only

CHARITY/ NON PROFIT STANDS

€ 1,800 if booked before 31st March 2023
 € 1,950 if booked from 1st April 2023

6 sqm shell scheme stands are available to charities / non-profit organisations at a reduced cost of 50%

Satellite Symposia

Theme:

Global Challenges in paediatric endocrinology

Holding a satellite symposium at the Annual ESPE Meeting provides a perfect opportunity to communicate and connect with our delegates. Our Programme Organising Committee will consult with you on your session to make sure it's relevant to our audience and to ensure you receive optimum engagement with the ESPE community. ESPE satellite symposia are attended by an average of 328 delegates*.

INDUSTRY SATELLITE SYMPOSIA

THURSDAY 21 SEPTEMBER

2 x lunchtime and 3 x evening sessions available

FRIDAY 22 SEPTEMBER

2 x lunchtime and 3 x evening sessions available

SATURDAY 23 SEPTEMBER

2 x lunchtime sessions available

€40,000 lunchtime

€35,000 evening

Sponsors will have the opportunity to hold a satellite symposium, for either 60 minutes during lunch, or 90 minutes in the evening, with a maximum of three evening and two lunch sessions being held at any one time. The cost of the symposium includes:

- Room rental with capacities to fit all audiences
- Standard audio-visual equipment
- Inclusion of symposium invitation in the delegate Meeting bag
- One email alert to registered delegates (complete HTML email content to be provided by sponsor/ agency)
- Symposium programme included in the final programme book
- Symposium programme posted on the Meeting website
- One push notification sent through the ESPE Meeting App
- Opportunity to place one banner in the foyer area and one banner outside the session room on the day of the symposium.

Those companies holding a satellite symposium are required to adhere to the guidelines which you will receive upon booking. To request an advanced copy, please email espe2023.sponsors@bioscientifica.com.

*Based on ESPE 2022 attendance

VIRTUAL SATELLITE SYMPOSIA

Virtual Satellite Symposia sessions are also available. These must be pre-recorded prior to the meeting and will be uploaded as On-demand content in advance of the ESPE 2023 Meeting. There will be no live Q&A available with these sessions. The content will be available On-demand for a minimum of 6 months after the Meeting, subject to sponsor approvals.

€25,000
