Session Title	Date	Time of individual talk	Talk Topic	Duration of individual talk (includes Q&A)	First name
Welcome & Introduction	24.02.2026	10:30 – 10:40	Calcium, Phosphate, Magnesium Homeostasis		Mohamad Maghnie
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	10:40 - 11:10	Calcium homeostasis	25mins+5minsQ&A	Agnès Linglart
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	11:10 - 11:40	Magnesium homeostasis	25mins+5minsQ&A	Pascal Houillier
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	11:40 - 12:10	Phosphate homeostasis	25mins+5minsQ&A	Francesco Emma
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	12:10 - 12:40	PTH Secretion & action – physiology	25mins+5minsQ&A	Giovanna Mantovani
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	13:40 - 14:10	Vitamin D & metabolites	25mins+5minsQ&A	Gilles Laverny
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	14:10 - 14:40	FGF23, Structure, metabolism & signalling	25mins+5minsQ&A	Aline Martin
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	14:40 – 15:00	Phosphate sensing and phosphate transporters?	25mins+5minsQ&A	Laurent Beck
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	15:30 – 16:00	Bone & Growth Plate Physiology	25mins+5minsQ&A	Ola Nilsson
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	16:00 – 16:30	Teeth mineralisation	25mins+5minsQ&A	Catherine Chaussain
Calcium, Phosphate, Magnesium and bone Homeostasis	24.02.2026	16:30 – 17:00	Bone mineralisation	25mins+5minsQ&A	Marie-Helene Lafage-Proust
Calcium, Phosphate, Magnesium and bone Homeostasis	25.02.2026	08:30 - 09:00	Biology of mineralisation: ppi, ALP, ENPP	25mins+5minsQ&A	Frank Rutsch
Calcium, Phosphate, Magnesium and bone Homeostasis	25.02.2026	09:00 - 09:30	Growth hormone and stem cells: the old story with a new ending	25mins+5minsQ&A	Andrei Chagin
Calcium, Phosphate, Magnesium and bone Homeostasis	25.02.2026	09:30 - 10:00	Bone marrow, mesenchymal stem cells, bonemarrow adipocytes	25mins+5minsQ&A	Marie Hélène
Calcium, Phosphate, Magnesium Homeostasis	25.02.2026	10:00 - 10:30	Neuroendocrine & bone homeostasis/ endocirne and bone homeostatis	25mins+5minsQ&A	Gerard Karesenty
Investigations in mineral metabolism and bone	25.02.2026	10:50 - 11:20	Genetics and genetic counselling in bone diseases: advances and challenges	25mins+5minsQ&A	Valerie Cormier Daire
Investigations in mineral metabolism and bone	25.02.2026	11:50 - 12:20	Bone Biopsies	25mins+5minsQ&A	Marie-Helene Lafage-Proust

Investigations in mineral metabolism and bone	25.02.2026	12:20 - 12:50	Bone imaging: X-rays, EOS and Post natal radiological features of skeletal dysplasia	25mins+5minsQ&A	Julien Saada
